

LED TRACER Followspot

LEDFSP100

TRACER is a follow spot, with 250W highly efficient LED module. Its ergonomic design allows for easy operator control of all the follow spot features. The TRACER has a zoom range 10-20° and is ideally suited for small to medium size theatres, auditoriums, churches, banquet halls and rental house applications.

- Flawless 16 bit dimming
- Manual zoom for easy focusing and adjustment
- 5600k colour temperature
- Flicker-free output with selectable PWM frequencies for worry-free video
- 6 way colour changer with gels
- Iris
