TEMPO RANGE

The Gig Bag 2 is tailor made to securely transport the RATstands Jazz Stand or Z3 Tablet Stand. Dense padding ensures the stand is safe and protected from any cosmetic damage, whilst travelling between rehersals and shows.

A separate zip compartment on the front of the bag can hold sheet music and other musician's essentials. Seperating these items could also prevent any damage that they could cause to the music stand.

A strong zip that can be opened around 3 sides, secures the stand inside, and makes unpacking the stand trouble free.

The Gig Bag 2 has an adjustable strap to suit all musicians. It can be set between 780mm and 1175mm in length. The detachable strap has a shoulder pad for comfort, and a padded handle provides an alternative way to carry the Jazz or Z3 Stand.
